

To celebrate the 150th Anniversary of Bath Masonic Hall,
we have commissioned the world-famous
Bristol Blue Glass Company
to produce a unique
LIMITED EDITION FIRING GLASS.

The Edition is strictly
limited to 150 glasses only,
and will not be repeated. Each glass
is inscribed with the words 'Bath
Masonic Hall 1866 to 2016' and will
have its edition number engraved on
the base. It will come packaged in
its own presentation box with a
Certificate of authenticity that also
carries the edition number.

This beautiful collector's piece will be released on April 3rd
2017 for public sale priced £59.95 including Insured Delivery.

However, Bath Members may pre-order theirs now at the
SPECIAL PRICE of £49.95

for personal collection at Bath Masonic Hall during the first quarter
of 2017, prior to the release date. In addition, if there is a particular
edition number you would prefer to receive, it can be requested on
the order form overleaf. If that edition number has not already been
allocated, it will be reserved for you personally.

Payment can be made by cheque made to "Bath Masonic Hall Trust Co Ltd"
and enclosed with the order, or you can tick the appropriate box to pay by
Bank Transfer, Paypal or by Credit/Debit Card. To qualify for this special
price, full remittance must be received before the release date. All profits
from this edition will go towards the Lodge furniture restoration fund.
